

Chers étudiants,

You want to make real progress in French while experiencing France from the inside? With our colleagues from [Learn French At Home](#) we are happy to make you discover **three unique immersion stays** designed to help you **live French**, not just study it. Through daily conversations, cultural activities, local discoveries and shared experiences with your teachers, you'll practise French naturally and gain confidence in real-life situations.

In small, friendly groups, these stays combine expert instruction with complete immersion; an effective and enjoyable way to improve your French while discovering the authentic France.

Explore our September and October 2026 immersions and contact us to find the experience that's right for you!

Culture, history & Parisian life

French learning and cultural immersion in Montmartre!

Dates: **September 26th, 27th, and 28th, 2026**

For: Intermediate to advanced French learners

This French learning and cultural workshop offer a one-of-a-kind opportunity to **dive into the vibrant culture of Montmartre**. Through captivating, guided tours and engaging activities, you'll uncover the rich history that has shaped this enchanting quartier, **exploring the fascinating stories of legendary figures**—artists, actors, and singers—who once roamed its streets.

Engage in lively discussions and participate in dynamic activities to enhance your spoken French and comprehension skills in authentic settings, ensuring a fun and enriching learning experience.

3 days - 1080€

Sport & Gastronomy

French & bike: ride, speak, live!

Dates: September 28th - October 2nd, 2026

For: Beginner to Intermediate French learners

Discover French in a whole new way in Bagnères-de-Bigorre, at the foot of the legendary Col du Tourmalet (65). Enjoy five unforgettable days combining **French language coaching, cycling through breathtaking Pyrenean landscapes, local gastronomy and authentic cultural experiences**. Practice French naturally through daily conversations, market visits, tastings and encounters with local people.

Stay in a beautiful villa, enjoy small-group activities and explore the region by bike—with e-bikes available for extra comfort.

More than a trip, **French & Bike is an immersive experience shaped by nature, effort and conviviality**.

Starting from 1800€ (10% off until August 31st)

Culture Southern France & Gastronomy

French flavors & culture

Dates: **October 19th - 24th, 2026**

For: Beginner to Intermediate French learners

Experience authentic French life over five unforgettable days in the Pyrenees (64). Improve your French naturally through **10 hours of expert instruction, traditional activities, grape harvesting and Jurançon wine tastings, local gastronomy, and hikes through spectacular protected landscapes.** Your teachers will be with you throughout the stay, sharing your daily life and helping you practise French in real-life situations—from meals and activities to local discoveries. Stay in charming gîtes, enjoy a small-group atmosphere and experience the unique art of living in southwest France.

More than a trip, it's an authentic immersion in French language, culture and everyday life.

Starting from 1750€ (10% off until August 31st)
